
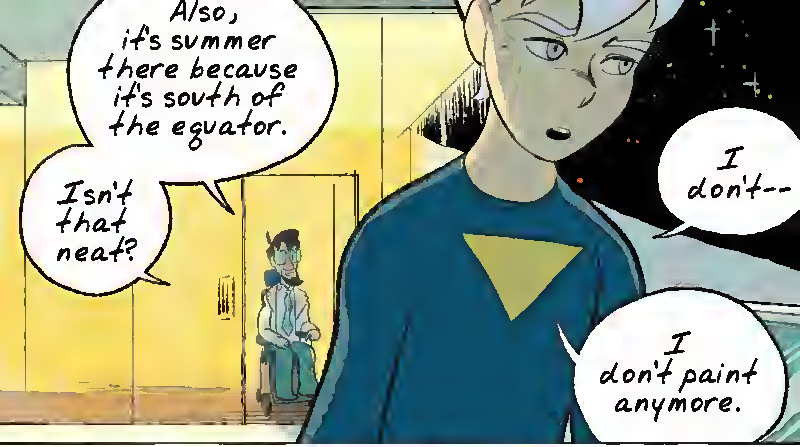
What are you doing?

...

I don't know. Trying to touch what I can't reach, I guess.

tomorrow morning if you want...
Where are they moving us to?
The Polandesian Islands.

You'll like it--
Beautiful jungles...
Blue oceans...
Lots of nice things for you to paint.

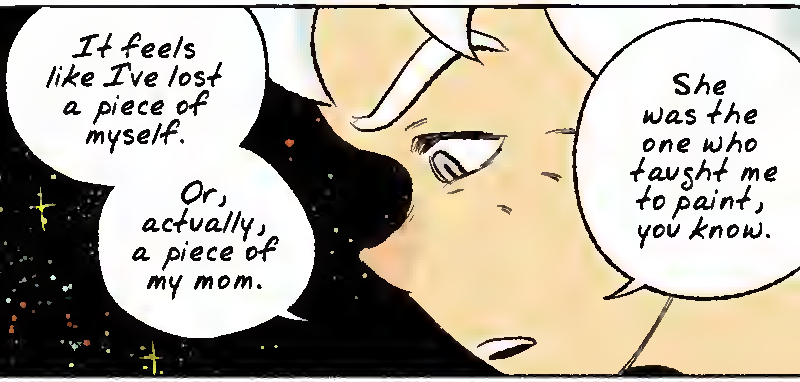


Also, it's summer there because it's south of the equator.
Isn't that neat?
I don't--
I don't paint anymore.

What?
What do you mean?

It's not that I don't want to.

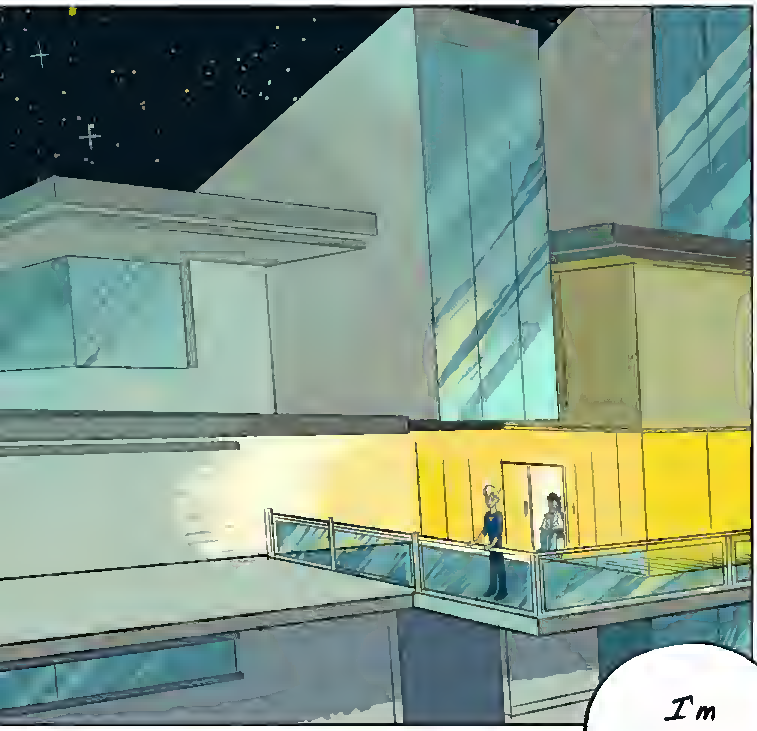
I just can't for some reason.



It feels like I've lost a piece of myself.
Or, actually, a piece of my mom.
She was the one who taught me to paint, you know.

Yeah, I...

I think I read that in your file.



I'm sorry, Oliver.

I feel like I'm failing you.

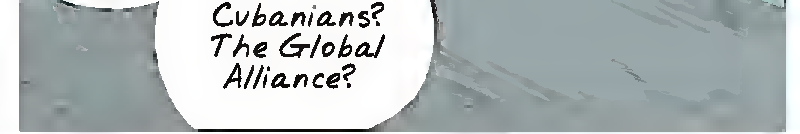
No.
You've done well, Dr. Kim.
This is the right way to go.
Once we leave Kokomo, Amy will finally be safe.
KA CHAK!

Agent Qiana.

Yes, ma'am?
Cover me.
I want to check something out...
Yes, ma'am!

Foot prints.

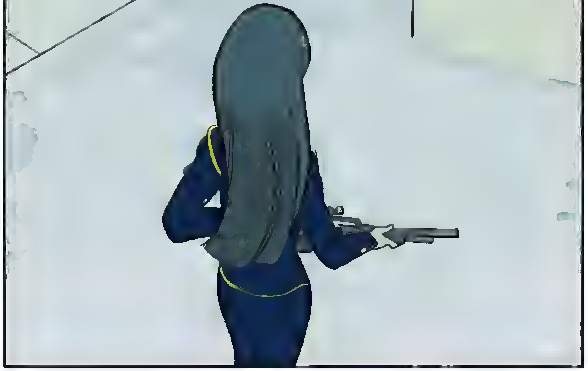
I knew someone was hiding back here.
They left a trail, ma'am.
Looks like they ran around to the other side of the house.
Who could be spying on us?
The



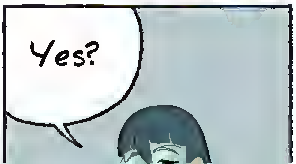
Cubanians? The Global Alliance?

Permission to follow, ma'am?

Granted.
Take Becker and Felix with you.



And Qiana--



Yes?
